

Drama Workshop Session Plan

DATE & TIME	TOPIC	Activities
0900 - 0915	Welcome to the Session. Set ground rules	Examine your prior reading on the development of professional values and their importance in clinical practice. Bring notes to the session
0920 - 0930	Simulation Video 1	Watch the recording and independently write notes on the behaviours observed. Note the reaction of the woman to the behaviours being demonstrated by the health care professionals and student midwife.
0930 - 0950	Group Discussion - Sharing of observations and critical discussion.	
0955 - 1005	Simulation Video 1 - with interruption	Watch the video and raise your hand when you observe a behaviour which is inappropriate and the recording will be stopped. Give a reason for why you have stopped the video at this point and make a suggestion for improvement.
1010 - 1020	Simulation Video 2 - Example of professional values and application of the 6C's in practice	Watch the video and make notes on the behaviours witnessed.
1020 - 1050	Critical Discussion and reaction	Discuss the second video- consider your reactions to the scenario when acted in this way compared to the first video. Were any of the suggestions that you made utilised? What effect do you think these had on the woman and her perception of her care? Which aspects, if any, could you use in clinical practice?
